

Remarks

Claims 1 to 36 and 38 to 39 have been amended, claim 36 has been cancelled. Claim 1 and 6 are in independent form.

The specification has been updated to correct obvious errors, primarily typographical and grammatical errors including, e.g., the correction of formulas to correspond to their respective headings.

The claim amendments are made to eliminate improper multi-dependencies under U.S. practice so as to place the claims in form consistent with 37 CFR 1.75 (c) in order to ensure examination of such claims. The claim amendments of claim 30 to 34 are supported in the specification on page 26 and following.

The amendments and additions are not "narrowing." The scope of the claims has not been reduced; no new limitations have been added and none are intended.

The Commissioner is authorized to charge any fee deficiencies and overpayments to deposit account number 50-3135.

Respectfully submitted,
